From,

To

Sir,

Sub : IFHRMS - Completion of HoD-BCO-DDO
Budget Allocation testing and Work flow
verification - CTA to commence Budget
distribution in IFHRMS system - Reg.

The creation of Budget distribution chain i.e., HOD - BCO - DDO was undertaken by DoF with the assistance of WIPRO team & Heads of Departments (HODs) concerned in IFHRMS system and the same has been hosted in the IFHRMS Portal. Subsequently, all the HODs were requested to verify the hierarchy mapping hosted in portal and to furnish a certified copy of the same to DoF, after making changes if any required. DoF has scrutinized the changes suggested by the HODs and carried out the same in the IFHRMS system. Therefore, the exercise carried forward by Finance Department centrally is complete, and any further incremental changes may be done through helpdesk.

2. Further, the testing of HOD-BCO-DDO Budget allocation template was also done along with the verification of its workflow in the UAT environment. Thus all necessary tests relating to budget distribution in IFHRMS is completed by DoF, successfully.

3. I therefore, request you to follow up with HoDs and their subordinate offices for pushing the Budget allocation data for the financial year 2019-20 in consonance with the manual allocation done.

Yours faithfully,

for Deputy Secretary to Government
