### PREAMBLE

The Govt. of India have enacted the Right to Information Act, 2005 (Central Act 22 of 2005) to provide for setting out the practical regime of right to information for citizens to secure access to information under the control of public authorities, in order to promote transparency and accountability in the working of every public authority.

In exercise of the powers conferred by Section 27 of the Right to Information Act, 2005, the Governor of Tamil Nadu made Rules on the fees payable for obtaining information under Sub-section (1) of Sec.6 (G.O.Ms.No.989, Public (Estt. & Legal) Dept., dated 7.10.2005).

Under Sec.4 of the Right to Information Act, 2005, every Public Authority is required to disclose information voluntarily on certain points, keeping in mind dimensions, activities, nature of work and the information that needs to be divulged to the common people and it was suggested that a Manual be prepared keeping in mind the requirements of the common people.

TANSI is a Commercial Organisation, wholly owned by the Govt. of Tamil Nadu, manufacturing and supplying different products on job order basis, required by various Govt. Departments/Organisations, obtaining orders by participating in tenders/offering rates.

Keeping in view all the above, this Manual is prepared.

## **CHAPTER - II**

### **THE PARTICULARS OF ORGANTSATION FUNCTIONS AND DUTIES**

#### **2.1 TAMIL NADU SMALL INDUSTRIES CORPORATION LTD. (A Govt. of Tamil Nadu Undertaking).**

The Tamil Nadu Small Industries Corporation Limited, popularly known as TANSI was formed on 1.12.1965 (registered under Companies Act, 1956) to take over the small scale units that were set up and run by the Department of Industries and Commerce.

These units were started during the first three Plan periods for various non-commercial purposes such as dispersal of Industrial growth, to provide infrastructure for the development of Industries and to serve as Training-cum-Demonstration Centres. These production units were taken over by TANSI to be run on commercial lines as their plan objectives were fulfilled. TANSI had thus taken over totally 64 such units. TANSI had also started certain new units such as units for assembling watches, machine tools manufacturing and a unit for the manufacture of spirit based products.

The product lines of TANSI can be grouped as below:-
